Last Sunday at Mountain View.

Last Sunday will linger long in the memory of some who were at Mountain View church. A large congregation was present to take part in the worship and to witness the baptism of several persons. A very unusual scene was witnessed in the burial of an 18-months old child and the baptism of its mother. This was the wife and child of Mr. Redmond Mull.

Miss Jessie Lewis Dead.

Last Sunday night the sad news was received here of the death of Miss Jessie Lewis, which occurred that morning. She was a daughter of Mr. and Mrs. Jesse J. Lewis, who formerly lived in this county, but who now live at Piercetown, Anderson county. Miss Jessie was about 18 years old, a Christian, and had many lovable virtues. She had been ill for some time with typhoid fever, but was thought to be out of danger when she suddenly took worse and died. Her remains were interred at Williamston the day following her death. Mr. and Mrs. Lewis have the tender sympathy of hosts of friends in this county in this sore bereavement.

Cutting and Shooting.

Ice Cream festivals are all the go now with the colored people. They have supplanted the hot supper festivities for the hot season. But with all the ice used it does not cool their passions nor prevent disorder. At one of these last Saturday night near the brickyard a general mix up and fight took place. During the melee someone used a knife so freely on Gus Hendricks that it required 80 stitches to close up the wounds. Will Hill was struck on the head by a flying bullet from a pistol, but he kept right on eating cream. Virgil Clinkscale was cut and Sam Terrell had a ball to go through his hand. It is not known whether any prosecutions will follow.

The Six Mile School.

The Six Mile Baptist Academy opened its fall term last Tuesday 3rd inst., with Prof. S. A. Rutledge as principal, and a full corps of teachers. The enrollment has not been learned but an increase in attendance was expected. Some improvements have been made on the girls dormitory and material is being put on the ground for the erection of a boy's dormitory to cost \$2,500. This building will accommodate forty boys and is expected to meet present demands. As the school grows from year to year, both the boy's and girl's dormitories will be enlarged. Arrangements have been made to take care of the boys in private homes until the building is ready to be occupied, which will be about October 1st. Students are urged to enter at the opening of the term or soon thereafter, and all who contemplate attending this institution are urged to see or communicate with the principal, Prof. S. A. Rutledge, Central, S. C., R. F. D. No. 2.

Mountain Trip.

Quite a delightful time was enjoyed by the crowd that passed thru here last Tuesday on their way to Table Rock. They reached the hotel that night and Wednesday morning began to climb and explore the glorious scenery of the mountain and to view the surrounding country. Thursday they surveyed the base of the mountain, which displayed even grander sights than the summit. Friday, all returned to their homes after stopping at Pickens for ice cream and cold drinks, and later at J. R. Morgan's for dinner. The party consisted of: Misses Berta and Nannie Jones, Laura Virginia and Ethel Lawrence, Janette and Evelyn Westbury, Elsie, Olin and Lula Morgan and Ross Murray. Messrs. James, Henry, Tom, Jarvin, Walter, Russell and Henry Lawrence, Lyndon Stanley and Mack Morgan. Miss Berta Jones, Misses Laura and Virginia Lawrence and Mr. James Henry Lawrence were the chaperones. A Card From Mr. Bates.

To the voters of Pickens county: I am informed that it is circulated in some parts of Pickens county that I have stated that Maj. J. M. Stewart is in favor of making the rate of interest as high as twenty per cent, and that he is in favor of requiring cotton mill operatives to work twelve hours. I wish to state that I have never made any such statements, but on the contrary, I do believe that Maj. Stewart is the friend of the people of his county and would favor a lower rate of interest and every possible relief that the law could give to the working people of whom I am one. Respectfully, W. T. Bates.

Magistrates of This County.

The following magistrates were nominated in the primary election last week:

Pickens township, A. S. Porter. Easley, J. M. Jameson. Liberty, M. A. Boggs. Central, C. G. Rowland. Calhoun, W. N. Child. Calhoun, W. N. Cochran. Hurricane, W. S. Gantt. Dacusville, D. F. Sutherland. Pumpkintown, S. F. Keith. In Eastatoe township a second race will be made by E. C. Bowie and W. H. Grant.

The Pickens County Singing Convention will meet with Griffin church, Saturday and Sunday, Sept. 14th and 15th. We hope every church and Sunday school in the county will be represented. We expect to have some of the best singers in the county with us. The public is cordially invited.

E. P. McCravery, President.
